{ } HACKER
BRAIN

An exclusive one-of-a-kind hackathon for premium institutions in India

April 23, 2023 | 9.00 Am –5.00 pm

Hacker Brain offers seven problem statements to rack your brains and unleash your coding skills. Some of these real-life hackathon problems include *News Classification, Weather Prediction, Ticket Book Prediction, UAV Detection, Discount Redeem Prediction, Sales Volume Prediction and Delivery Volume Prediction.*

What is more, your pursuit for an intelligent accelerator ecosystem ends here. The buck stops with ATOM.AI, a marquee tool and platform developed by Tredence, that's creating ripples in the AI space!

So, go ahead, code big and stand to win **INR 1,50,000/**- in cash!

Guidelines:

- ◆ The Hackathon Registration starts from 20th April 2023 to 22nd April 2023.

- ◆ The Hackathon Event will be live on 23rd April 2023 09:00 AM IST till 23rd April 2023 05:00 PM IST.

- ◆ All registered users are eligible to participate in Hacker Brain. Participants are required to sign up on the Hacker Brain portal and register with all mandatory details.

- ◆ You may choose to participate either as an individual or as part of a team consisting of a maximum of three members only.

- ◆ Each team must select only one problem statement from the seven options provided. Only one submission is allowed per team, and it must be made by the team leader. Multiple submissions will result in disqualification.

- ◆ The top 10 teams will advance to the final round and prizes will be awarded to the top three teams for their outstanding performance in the competition.
